

# MONA·VIE

## A FOUNDATION FOR SUCCESS

Building a strong foundation for your MonaVie business just got easier. With the new Preferred Customer program, you can sponsor customers who aren't ready to be a distributor but still want to enjoy the delicious taste and nutritional benefits of MonaVie products. Plus, since the program offers benefits to both you and the customer, it's a win-win situation.

When your preferred customer buys MonaVie products, you earn half of the total volume of all of their purchases. In addition, 50 percent of the other half of the total volume is paid to you as a bonus (e.g., for a one case purchase with 100 PV\*, you receive 50 PV and \$25.) You don't need to be active or qualified to earn a preferred customer bonus. And since enrolling a preferred customer is only a mouse click away—it can all be done right from your Virtual Office—now you can easily grow your MonaVie business one customer at a time.

## MORE CASH. EXTRA PV.

By taking advantage of this rewarding program, you'll earn cash rewards and PV for every case your customers order. In fact, by simply enrolling five preferred customers who place a monthly product order of at least one case, you'll earn enough money to pay for your monthly product, which helps you maintain your standing as an active MonaVie distributor.

\*Personal Volume refers to points assigned to products purchased by you and your customers.

In addition, the PV that you accumulate through the Preferred Customer program is applied to your activity requirements and can help you earn additional bonuses. With the MonaVie Preferred Customer program, there are more ways than ever to earn supplemental income. What could be better?

## GOOD FOR YOU. GOOD FOR THEM.

In addition to being a great way to build your business, the Preferred Customer program allows consumers to enjoy all of the benefits of MonaVie products while taking advantage of these additional perks:

- No enrollment or signup fee (\$39 savings)
- Purchase product at wholesale price
- Preferred customers can choose Autoship
- Product delivered to their doorstep

BY SIMPLY ENROLLING FIVE PREFERRED CUSTOMERS WHO PLACE AN ORDER OF AT LEAST ONE CASE, YOU'LL EARN ENOUGH MONEY TO PAY FOR YOUR MONTHLY PRODUCT.
