

## The Phone Call

Hello .....( chit chat 20 seconds) how was your day at the .....

### THE REASON I AM CALLING YOU IS!!!

OPTIONS:

#Started a new business in the.....

#Looking at taking on some people that are open to making some substantial income. Looking at about \$.....to \$..... Per week.

#Let me ask you a question. Are you interested in making that sort of money part-time?

#Lets organize a time to get together to..... and go through the figures.

#Then when you know what I am doing you can let me know if you are interested. If you are not then that will be ok too

**What is it? Or Can you tell me more about it?**

**WELL IT'S TOO DETAILED TO GO INTO OVER THE PHONE BUT...**

#We are working with a successful business friend of mine who lives at the Docklands.

#We are marketing a natural health from the U.S.

#Its is giving people a lot of amazing wellness results

#I've/we have been drinking it our/myself and we are very impressed in fact .....

#Looks like we can help some people and make some a great income, STRICKLY PART TIME.

**LIKE I SAID IT IS TOO DETAILED TO GO INTO OVER THE PHONE let's book a time to get together to have taste and go over the details.**

#What does your schedule look like this week

# Or I am having a get together at my place this Thursday night at eight o'clock. Can I save you and .....a seat. Yes-Great!

#No: Ok .....it may be best if my partner .....and I come over to you after dinner. What night are you free.
